PRISONER'S SIGNATURE: <u>T. Stefano</u>				
A letter from my wife was rejected because she drew something in marker. Crayon drawings from my 4 year old daughter are being rejected. I informed mail room that Policy nor AAC provide for them to turn away mail on this basis. Index #s 10.03 E and 22 AAC 05.660 (22). There are only 10 reasons mail may be rejected under Policy and 6 reasons under AAC. The mail rejection list has 21 reasons and a "other" box where they are checking it and putting any old reason. I informed the mail room of Policy and AAC, they responded per security SGT No letters with marker/crayon allowed. Arbitrary imposition of rules not even set forth by policy or Admin. Code needs to cease.				
I REQUEST THE FOLLOWING RELIEF (State the outcome you are seeking):				
Please allow mail to be rejected only as provided by Policy and Administrative code. If I get a crayon drawing or marker drawing, it needs to be allowed.				
I acknowledge receipt of this grievance and have issued the log number above for reference. Please refer to assigned log number with any inquiries about this grievance.
